TO: AAMPO Policy Board

FROM: Theresa Conley, AAMPO Coordinator

SUBJECT: AAMPO Interim TIP Amendments

Action Requested:

The Board is requested to review and consider approval of two amendments to AAMPO's Interim TIP. Both amendments would incorporate new projects into the Interim TIP and therefore require Board approval. Both projects are already programmed by local entities and must be included in both the MPO TIP and statewide STIP to proceed.

Additional Information:

1. City of Albany – 5310 E&D Transit Capital (2015-17) (Key #19621)

This project would pay for preventative maintenance for the Albany Call-A-Ride, per the Linn County 2015-2017 5310 allocation process that occurred earlier this year. The project total is \$26,072. This includes \$23,394 of Linn County 5310 fund to be spent over two years, amounting to \$11,697 each year. The required local match of \$2,678 brings the total project amount to \$26,072.

Key #17629	\$23,394	\$26,072

2. Cascades West COG Transportation Options Program (2015-17) (Key# TBD)

This amendment will combine three projects into one - #18716 (Rideshare), #17785 (TDM), and #17609 (Transit Innovative Projects). Additionally, it will incorporate the CWCOG share of the Region 2 FFY16 operation and maintenance funds allocated to support regional transportation options programs.

The purpose of this project is to promote & encourage the use of carpools, vanpools, transit, bicycling, walking and teleworking. The project continues existing carpool matching, regional vanpool services and community outreach programs in the OCWCOG area. This funding is managed by OCWCOG and is for use throughout the entire OCWCOG area;

however, because some of the funds will be spent within the AAMPO area, it should be identified in the TIP. It will similarly be identified in the CAMPO TIP.
